## Our Mission

To maintain, sustain and train our military wherever they are in the world.

ECS provides immersive live and virtual training, and supports the military workforce while exceeding our client's cost, schedule, and performance expectations.

## Delivering Global Training & Services

### What makes ECS different?

ECS is an entrepreneurial business with over 23 years of success and a leadership team that has 150+ years of combined industry experience. Our team listens to and understands our clients' needs to deliver quality results that exceed expectations.

## Simulation & Training

A trusted simulation & training provider, ECS delivers results that support, maintain, and sustain Service Members and Medical Professionals around the world.

## Innovation

ECS enhances individual and team performance with novel ideas, new implementations of technology, and unparalleled ingenuity.

## Global Services

Our team provides specialized staff and solutions by supporting training needs with expertise, knowledge, and efficiency – in the classroom, on the ground, online, and at point of need.

## WHY ECS?

OUR CORE VALUES ARE INGRAINED IN OUR CULTURE AND REFLECTED IN ALL THAT WE DO:

### COMMITTED

to excellence, customer care, and quality

### INNOVATIVE

with freedom to push the envelope

### PASSIONATE

about our work, our integrity, and our authenticity

### INSPIRING

motivated to make a difference
